1 A "*" following a place name indicates that the place is coterminous with a MCD. A "-" indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A "*" following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A "-" following a block number indicates that the block number is repeated elsewhere in the block.

The main map displays a portion of a county block map for the 2000 Census. It features several census tracts outlined in red, with block numbers (e.g., 2028, 2020, 3008, 3007, 3019, 3018, 3017, 3038, 3021, 3022, 3023, 3024, 3026, 3027, 3044, 3034, 3006, 3005, 3004, 3003) printed in red. Voting districts are indicated by blue dots and labeled EL01*, EL02*, and EL03*. A large yellow-shaded area is labeled 'ELMWOOD TWP 23711' and 'Elmwood 23698'. A red '40' is also present. The map is bounded by coordinates 40 775930N 89 975468W on the left and 40 775930N 89 950978W on the right. A north arrow and scale bars are located at the bottom left.

All legal boundaries and names are as of January 1, 2000.
The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
